Theology Conference

Empowering, Equipping, and Encouraging Church Leadership

SEPTEMBER 19 – 20, 2025

About Theology Conference.

This year’s theology conference is centered on Empowering, Equipping, and Encouraging Church Leadership. As we gather, our focus is on strengthening leaders in the Body of Christ to move from sound doctrine (orthodoxy) to faithful practice (orthopraxy). We serve a God who has revealed Himself through Jesus Christ—the author and finisher of our faith—and now we are called to lead with boldness, living out our testimonies in tangible ways. Together, we’ll explore how to live and lead in a way that reflects His love to a world in desperate need of hope.

Believers In Christ Academy is convicted that we are living in a time of discipleship. Biblical literacy is needed to strengthen the body of Christ at this time. We pray this conference will build upon salvation’s firm foundation to build God’s kingdom and bring Him glory.

Meet Our Keynote Speaker.

Pastor Damon Richardson

UrbanLogia Ministries: *Atlanta, GA*

Damon practiced Islam during his formative years through the teachings of Elijah Muhammad and the Nation of Islam, until he became a born-again Christian at 16 and began preaching at 17. He holds an M.A. in Religious Studies and a Ph.D. in Leadership from Beulah Heights University, with additional graduate studies at Virginia Union, Regent, and St. Petersburg Seminary and Yeshiva. With 28 years in ministry, he has pastored churches in New York, Michigan, and Florida. A former elementary and special education teacher, Damon is married to Nadine Richardson of Jamaica, WI, and they have four children: Jalen, Chandler, Amare, and Nyasia.

Damon's passion is helping believers deconstruct false ideas about Christianity so they can confidently share their faith and point others—especially Millennials and Urbanites—to God's Word and the gospel of Jesus Christ.
